Design concept:

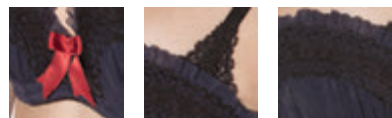

'Flamenco' is a Spanish word derived from 'fire' or 'flame' and this form of dance evokes passion with the dancer's ability to express their deepest emotions. Designers have drawn from the dancer's fiery behaviour by intertwining black 3D patterned Leavers lace with delicate light pleated mesh to create different textures to showcase the delicate balance between passion and calmness.

Product Features / Key selling points:

The entire range has been designed with pleated mesh and narrow Leavers lace to ignite your inner passion and bring effortless glamour to everyday style.
